Building a Stronger Sedalia Community

The Sedalia Area Chamber of Commerce helps business people connect, works to represent the interests of businesses and the community in government, helps market local businesses and organizations, and provides the workshops and resources to help locals develop successful businesses and careers. The Chamber also takes the lead in promoting the community by helping to recruit new businesses to locate here, participating in efforts to improve our quality of life and by advocating our community as a great place for people to vacation, do business, and raise a family.
